complies to requirements of the following certification document::

**the technical standard TN 01-2003, for testing sodium and potassium salts of the humic acid, as amended, issued by Humatex, a. s., Bílina**

Institut pro testování a certifikaci, a.s. (The Institute for Testing and Certification) has conducted an evaluation according to certification process scheme 3 in accordance with the requirements of ČSN EN ISO /IEC 17067 and the technical specifications listed above, with a positive result. This certificate also confirms that the manufacturer has created the basis for determining the quality stability. A description of the product, documentation, evaluation processes, and test results are included in Final Report No. **313500836/2017**, which is enclosed with this Certificate.

**Conditions for use of the certification and associated information:**

1. *This Certificate has been issued on a voluntary basis and is valid solely in relation to the product(s) and any variants thereof listed on the Certificate and in association with the issued certification document.*
2. *Institut pro testování a certifikaci, a.s. as the issuer of the Certificate, confirms the existence of the associated certification document.*
3. *The validity of the certificate is dependent on positive results of inspection tests or evaluations conducted at least once per year by Institut pro testování a certifikaci, a.s.*
4. *The bearer of the certificate is required to arrange his or her own system of quality assurance of production such as for the certified product to continue to meet requirements established by the associated certification document and the conditions for use of this certificate for the entire period of the certificate's validity, as well as to inform ITC of any change to the materials or production technologies that could influence the characteristics of the certified product.*
5. *When using the Certificate, the bearer of the Certificate shall act according to the rules for use of the Certificate, which are publically available at [www.itczlin.cz](http://www.itczlin.cz).*
6. *The validity of this attestation may be verified at [www.itczlin.cz](http://www.itczlin.cz).*

Issued in Zlín, on: **2008-10-31**  
Revision d.): **2017-11-27**  
Valid until: **2020-11-30**

  
Ing. Pavel Vaněk  
Director of Certification Division
